

Academy Day Nursery

Important Notice to Parents Update

Dear Parents and Carers,

Today (Friday 20th March 2020) sadly we will be closing our nursery for many of our families until further instructions from Government announcements.

Our doors will remain open for parents who fall under the “Key Workers” list attached. Please evaluate your work position in line with this list and contact us today if you require childcare going forward.

Our service extends to children on an EHC plan or those supported by social services. Please also get in touch to confirm whether you would like your child to continue attendance if the above list applies to you.

It is our nursery’s highest priority to ensure we continue to take action that keeps everyone who attends or visits our nursery safe throughout these testing times.

Stay Safe!

Regards,

Debbie Simon-Director
