DROPPING OFF ARRANGEMENTS

In the interest of keeping you and your child safe and to reduce the possibility of spreading of the virus. Can you please hand your child to a member of staff at the entrance?

COLLECTING YOUR CHILD

Your child will be ready with their coat on when you arrive to collect them and will be brought out to you. Should you have to enter the building, we will ask you to wash your hands in our wash room opposite the main door before entering any of the childcare rooms.

BUGGIES AND PUSHCHAIRS

Can I ask, that during this time all buggies and pushchairs return with you. Only in exceptional circumstances, Where a parent needs to take public transport to get to work they will be put in a storage space.

Thank you so much for your continued patience and understanding. Our aim is to keep everyone as safe as we can.
